You will find the online version of the Annual Report at [www.raiffeisen.ru/about/annualreport](http://www.raiffeisen.ru/about/annualreport)

The forecasts, plans, and statements addressing the future are based on knowledge and estimates at the time at which they are drawn up. Like all statements addressing the future, they are exposed to risks and uncertainty factors that may lead to considerable deviations in the result. No guarantees can therefore be provided that the forecasts are targeted values, or statements addressing the future, will actually materialize. We have exercised utmost diligence in the preparation of this annual report and checked the data contained there. The English version is a translation of the report that the bank originally prepared in the Russian language. The bank only recognizes the Russian version as the authentic version.
